Dear Mr. Boyden:

Reference is made to my letter of October 30, 1968, relative to Tribal water right claims on White River and Two Waters Creek, streams having their head waters in Colorado. The purpose of my letter above referenced was to confirm Uintah and Ouray Reservation water right claims on White River and Two Waters Creek for negotiating an interstate compact with Colorado for the use of the waters of these two streams.

The purpose of this letter is to inform you that the Tribe has found it necessary to file some supplemental water right claims on White River. Claims on White River have been increased from 6,633 acres to 13,909 acres. The claims on Two Waters Creek remain the same 267 acres. The supplemental claims have been filed with the Utah State Engineer. The status of these claims are now as follows:

Group 6 Lands, acres		
White River		5,544
Group 7 Lands, acres		
White River	8,365	
Two Waters Creek	267	8,632
Total acres in Interstate Compact		14,176
Group 6 Lands, acre feet		
White River @ 4 AF/acre		22,176
Group 7 Lands, acre feet		
White River @ 4 AF/acre	33,460	
Two Waters Creek		
@ 4 AF/acre	1,068	34,528
